Documentation Survival Handbook for Psychiatrists and Other Mental Health Professionals: A Clinician's Guide to Charting for Better Care, Certification Mary Ann McDuffee, Stephen M. Soreff
From the back of the book:

This book will assist all mental health practitioners in avoiding legal, regulatory, and professional difficulties, while at the same time increasing the quality of care which they can provide on a daily basis. With over 60 chapters of material, this reference can help improve the quality of performance in virtually all aspects of mental healthcare. Readers are provided with practical advice, as well as very specific forms to help ensure that they cover all the bases, ask all the appropriate questions, and document everything in a way completely consistent with up-to-date requirements, including those of HCFA, JCAHO and fiscal intermediaries. Furthermore the book explains the reasoning behind the forms and provides an example for each application.
