Reviews and Comments

The first thing that you should do is obsess about the terms in this book. Vocabulary is the first step to understanding, and if you don't know what something means, figure it out. Don't turn the page until you do.

- Seth Godin,

Author: Purple Cow, Lynchpin and Permission Marketing

My Quirk eMarketing textbook is a truly indispensable desk item. Since completing the e-course I have been able to help embed the correct terminology and appropriate digital focus with all colleagues from top down. This is essential if we, as a global business, wish to be seen as competent leaders and high quality adopters of digital marketing tactics and strategies. Behind every great digital marketer should be this great textbook!

- Sunita Anderson,

Group Marketing Knowledge Manager at SABMiller plc.

"I found the textbook well-written, making what could be quite complex terms and definitions easy to understand. Having loads of practical examples scattered throughout the chapters, the theoretical concepts were well highlighted in practical, real-world application. Each chapter challenged me to apply my newly learnt skills through providing further readings and additional resources to explore."
