A Valuable Aid for Memorization and Understanding - BONUS: Excerpts from The Piano Lessons Book A collection of popular piano classics, to be combined with your understanding of Theory, Analysis and Memorizing as covered in The Piano Lessons Book by Neil Miller. Designed to assist piano students with memorizing music for confident performing. Successful memorization requires an understanding of the elements that composers use to create music. An additional source for practicing the great music you want to play, along with your choice of a well-edited edition that contains the editor's markings for phrasing, fingering, pedaling, dynamics, touches and tempo. Add to that what you learn from the Analyzed Music edition and The Piano Lessons Book, and you'll be prepared for comprehensive memorization. Soon you'll be able to apply the same analytical procedures to any music you memorize. And, perform from any printed score with ease because you understand how music is put together.
