**The Secret Gospel: The Discovery and Interpretation of the Secret Gospel According to Mark** Morton Smith

*The Secret Gospel* gives the first real evidence of the method by which Jesus of Nazareth initiated his disciples into the esoteric practices of his teaching, making this a very important book for the history of humankind.

In 1958, Morton Smith traveled to Jerusalem to do research in the monastery library of Mar Saba, in the Judean Desert. What he found was no routine corroboration of New Testament history, but a precious fragment of a second-century document that would change our understanding of the work and teaching of Jesus of Nazareth.

As exciting as the most suspenseful adventure story, Professor Smith's book is a lively and readable account of the discovery and unraveling of some of Christianity's most intriguing mysteries.
