**Values and Ethics in Social Work** Chris Beckett, Andrew Maynard

The **Second Edition** of this bestselling book is now split into two parts. Part I considers the foundations of every person's values and provides a background to moral philosophy. Part II examines key ethical issues and how they determine practice, such as using power, allocating resources, treating others with respect and celebrating diversity.

For the **Second Edition**, two new chapters have been added to the book, on:

- The political dimension in ethical decision making
- Realism as a guiding ethical principle
