Who Said That in the Music? 101 Quotes Quiz of Your Favorite Songs (Who Said That? Quote Quizzes Book 2) Harrington Family

" Gotta say this is one of the best times and reads I've had in a long time. What the authors have done is take Rolling Stone's 101 greatest songs of all time and turned them into a memory game!

You're tested on who sang the song, what album it's from and what year...whew boy..

Kept my grey matter busy for a good long while...and had a fun time to boot.
Overall, a great, fun game to play with the whole family.

I'm hopeful they'll do some follow-up editions as I love music... "

" knew most of the lines from my favorite artists - but there was so much variety that a bunch were out of my "wheelhouse" and I had to guess - and got a bunch wrong.

Really a bit surprised , as I thought I knew my music better than that.

Did the second half while supermarket shopping with my wife - she loved it when I got one wrong - we are a bit competitive.

BTW, I had it on my iphone, not kindle, not that it matters.

Lots of fun, though.

Already wanting more. "
