People all around the world enjoy the hobby of gardening. They love planting tiny seeds in the soil and watching them sprout into mature plants. Gardening isn't just for adults, however. Kids can plan, create, and maintain their own gardens, too. Gardening for Kids is rich with ideas and instructions for making water gardens, flower gardens, vegetable gardens, perennial gardens, butterfly gardens, and landscape designs. Have you ever wished you could bring a rainbow to your backyard and keep it all summer? If so, you could plant your own perennial garden. It will bring bright colors and beauty to your house year after year, whether you fill a few pots or fill your entire backyard. Follow these step-by-step instructions for planting a perennial garden, from figuring out which plants will grow best where you live to where you should plant each seed. As little green shoots stick up through the dirt to greet the sun and then turn into colorful blossoms, you will be glad for every minute you spent on your garden. It's the best way to capture a rainbow of your very own!
