## **Deadlocked (Lou Mason Thrillers Book 4) Joel Goldman**

If you like Scott Turow's riveting legal thrillers and Catherine Coulter's nerve racking suspense stories, you'll love Deadlocked! Joel Goldman's knockout Lou Mason Thriller!

"A certain death penalty case and execution is the catalyst in Joel Goldman's legal thriller Deadlocked. The fourth Lou Mason case is the best and most thought provoking and when the action starts it is a real page turner delivered by a pro."

Mystery Scene Magazine

This is one of the finest legal thrillers I've read in years. Deadlocked is on par with anything written by John Grisham or Scott Turow. Its attention to characters, smooth dialog, well-crafted plot and superb pacing make me want to read each of Goldman's previous three novels.

Al Nye The Lawyer Guy

Ryan Kowalczyk denied slaughtering a young couple even after his best friend turned against him, sending him to death row. When Lou Mason is hired to prove Ryan's innocence, a killer does whatever it takes to stop Mason. The deeper Mason probes, the greater the danger - until the past and present collide in an explosion of deceit, corruption and murder.

Think Scott Turow and Catherine Coulter at their page-turning best and you'll have Joel Goldman in Deadlocked!

"In his fourth novel, attorney-turned-author Joel Goldman delivers a well-plotted legal thriller that takes an insightful look at capital punishment and questions of guilt. Deadlocked's brisk pace is augmented by Goldman's skill at creating realistic characters and believable situations."

Oline H. Cogdill, Orlando Sun Sentinel

"Joel Goldman is a sleeper in modern mystery novels. With Baldacci, Connolly, Grisham, Sandford, Flynn and others hitting the bestseller list regularly, Joel Goldman belongs there as well. Once he is read by more they will become fans and he a household name. He writes with the best of them and I read them all."

Deane Story

"Lou Mason's best outing...very satisfying and highly recommended."

Lee Child, Bestselling Author of the Jack Reacher series

And don't miss the blistering action and thrilling excitement in the other books in Joel Goldman's Lou Mason Thriller series, Motion To Kill, The Last Witness, Cold Truth and Final Judgment!

When two of his partners are killed, corruption, sex and murder fill trial lawyer Lou Mason's docket as he tracks the killer. Will Lou be the next victim? Find out in Motion To Kill, the action-packed, can't-put-it-down first book in the Lou Mason thriller series!

Lou Mason is back in The Last Witness and this time it's personal when his surrogate father, Homicide Detective Harry Ryman, arrests his best friend, Wilson "Blues" Bluestone, Jr. for murder. Mason unearths

secrets someone will do anything to keep as he closes in on a desperate killer, setting himself up as the next target.
