**What makes a person jealous?** Is there a clear distinction between their emotions and a person who never considers jealousy in a relationship? Is it worth succumbing to and allowing this thought to enter inside one's mind? Can it be a dangerous mixture when combined with a slight or even severe mental illness?

By taking apart and putting back together this 'very common' human affliction, Devin Blue explores way beyond the general aspects and delves deep into the motivations associated with a jealous person. This, just under 3,800 word mini-e-book cuts 'straight to the heart' of the issue, and is a longer version of the extremely popular writing from valueprep.com's website.

**Written for 'maximum mental health'**, you can certainly glean a much clearer perspective overall and come away understanding why yourself or another person has jealous tendencies and ultimately have the tools to fix this affliction altogether.

**'Snatch up a copy' now for the lucid understanding you've been craving for!**
