## **The Happy Prince (Myths, Legends, Fairy and Folktales)**

While flying to a warmer climate, a little swallow stops to rest in the great city. His short stay is extended, however, when he takes refuge at, and then makes friends with, the golden statue of The Happy Prince. From high atop his pedestal in the city park The Happy Prince has a bird's-eye view of the sufferings of the people of the city. But, he is powerless to do anything. When the Prince entreats his new friend to stay and help him, a lesson in kindness and caring is in store for the little bird. Beloved since its original publication in 1888, this Oscar Wilde fairy tale is now set against a modern-day backdrop and written for young readers.

Stunning, evocative paintings, along with a masterful retelling, breathe new life and meaning into this classic story of mindfulness and compassion for others. An excellent vehicle for character education programming, educators will find this story a valuable addition to their libraries. One dollar from the sale of each Happy Prince book will be donated to HELP USA. Founded in 1986, HELP USA empowers the homeless and others in need to become and remain self-reliant. Through the development of quality housing with on-site support services HELP USA provides resources, including job training and placement, to enable its residents to become independent and productive. ### **From reader reviews:**

#### **Joshua Canfield:**

In this 21st centuries, people become competitive in every way. By being competitive today, people have do something to make these people survives, being in the middle of the crowded place and notice by surrounding. One thing that occasionally many people have underestimated it for a while is reading. Yep, by reading a book your ability to survive increase then having chance to endure than other is high. To suit your needs who want to start reading the book, we give you this particular The Happy Prince (Myths, Legends, Fairy and Folktales) book as basic and daily reading book. Why, because this book is more than just a book.

#### **Karen Jude:**

Here thing why this The Happy Prince (Myths, Legends, Fairy and Folktales) are different and trusted to be yours. First of all studying a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. The Happy Prince (Myths, Legends, Fairy and Folktales) giving you information deeper including different ways, you can find any guide out there but there is no guide that similar with The Happy Prince (Myths, Legends, Fairy and Folktales). It gives you thrill reading through journey, its open up your eyes about the thing that happened in the world which is probably can be happened around you. It is easy to bring everywhere like in playground, café, or even in your way home by train. For anyone who is having difficulties in bringing the paper book maybe the form of The Happy Prince (Myths, Legends, Fairy and Folktales) in e-book can be your option.

#### **Adeline Norris:**

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you could have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Happy Prince (Myths, Legends, Fairy and Folktales), you may enjoy both. It is good combination right, you still need to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.

#### **Carmen Dana:**

This The Happy Prince (Myths, Legends, Fairy and Folktales) is great reserve for you because the content which is full of information for you who also always deal with world and possess to make decision every minute. This kind of book reveal it details accurately using great manage word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having The Happy Prince (Myths, Legends, Fairy and Folktales) in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen second right but this book already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still

doubt this?
