A Wicked Game of Trust - Two Faced Amy K. Jones

A cunning man with a vivid imagination and the money to bring reality to other people's fantasies, Theodore Duncan finds himself in a position to gain an unlikely ally in his efforts to locate a woman presumed dead for over a year, or discover who has taken her place. The woman he seeks, Anna Peteskow, is the one remaining of three power figures in the underworld of the world, enjoying the freedom to influence governments around the globe and eliminate those who oppose her without ever hitting a headline, if you don't count her understated obituary in an Ohio newspaper.

The ally he discovers has all the power the rest of his people lack; she is Anna's youngest daughter. If Duncan can discover Anna Peteskow alive, Jennifer Peteskow can attest to Anna's absence from her family home at critical moments of world events, and if she will do that, others can attest to where Anna really was and with whom. But can Duncan trust this young woman who may be taking over Anna's operations, could be issuing orders to her operatives as artfully and secretly as her mother once did? Does Jenny, Anna Peteskow's youngest daughter, know what sinister things her mother has done while maintaining the unflappable appearance of a doting homemaker? Is Jenny Duncan's enemy, or a hapless fool caught up in a vengeful plot devised by her mother to get to him?

In A WICKED GAME of TRUST (a 4-book series), you'll be taken into the underworld of the super powers with Jenny Peteskow. You'll meet people who control the happenings you see on the news from around the globe, and catch a glimpse of where leaders and operatives go when they wish to, or need to, hide from each other. You'll discover how a commercial jet liner can crash yet remain completely intact, everyone surviving except the two people a man wants captured and delivered to him. You'll learn what it feels like to fight, yet lose your freedom and completely disappear.

Mark Montague:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this A Wicked Game of Trust - Two Faced can make you feel more interested to read.
