Building a Healthy Multi-ethnic Church: Mandate, Commitments and Practices of a Diverse Congregation Mark DeYmaz

Through personal stories, proven experience and a thorough analysis of the biblical text, *Building a Healthy Multi-ethnic Church* illustrates both the biblical mandate for the multi-ethnic church as well as the seven core commitments required to bring it about. Mark DeYmaz, pastor of one of the most proven multi-ethnic churches in the country, writes both from his experience and his extensive study of how to plant, grow, and encourage more ethnically diverse churches. He argues that the "homogenous unit principle" will soon become irrelevant and that the most effective way to spread the Gospel in an increasingly diverse world is through strong and vital multi-ethnic churches.
