Alpha wolf Acksel wakes up one morning in the bed of the one human who was kind to him in school. Now, ten years later, Brynn Mara is snuggled up at his side, smelling like passion and sweet dreams. Even though Acksel has declared that his pack members can mate with humans from now on, he knows that any woman he takes as his mate will have a target on her back. Especially if she's a fragile human. Deciding it's better to cut things off than string her along when there's no hope for a relationship, he leaves without a word and ignores her. But it doesn't matter if Acksel acknowledges her or not, because their night of passion has left a permanent reminder of what happens when one drunk wolf forgets protection. Angry, banished wolves from his pack discover Brynn's secret and decide to use her against Acksel. His worst fears have come true, and the only woman who ever touched his heart is now suffering because of his mistake. This book contains one ticked off, emotionally damaged alpha, the human woman who can tame him, and a sweet little surprise that no one expected.
