American Foreign Policy Since WWII

Steven W. Hook, John Spanier

American Foreign Policy Since WWII Steven W. Hook, John Spanier

Hook and Spanier's classic text celebrates its Twentieth Edition with more of the context and analysis that has long made it the standard for guiding students through the complexities of American foreign policy. With each new edition, recent developments confirm the book's overarching theme—that there is an American "style" of foreign policy imbued with a distinct sense of national exceptionalism. Giving students the historical context they need, the book allows them to grasp the functions and frequent dysfunctions of the nation's evolving foreign policy agenda. In this new edition, chapters covering the end of the Cold War have been combined and streamlined, making room for a new chapter that examines the aftershocks of the Arab Spring, political breakdowns in Iraq and Afghanistan, and the rise of the Islamic State. The final chapter considers the revival of power politics in world politics, with Russia and China stepping up their attempts to weaken the United States and create a multipolar world. The book ends by reconsidering America's distinctive style of foreign policy and its resilience amid such turbulence since World War II.

From reader reviews:

Wayne Sutphin:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider while those information which is from the former life are hard to be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take American Foreign Policy Since WWII as the daily resource information.

Arthur Johnson:

Reading a book tends to be new life style in this era globalization. With examining you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Many author can inspire all their reader with their story or even their experience. Not only the story that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some exploration before they write to their book. One of them is this American Foreign Policy Since WWII.

John Davis:

People live in this new time of lifestyle always attempt to and must have the extra time or they will get great deal of stress from both daily life and work. So , once we ask do people have free time, we will say absolutely yes. People is human not really a robot. Then we inquire again, what kind of activity have you got when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading publications. It can be your alternative inside spending your spare time, typically the book you have read is actually American Foreign Policy Since WWII.

Louella Rape:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this American Foreign Policy Since WWII can make you really feel more interested to read.
