## Anti-Money Laundering: International Law and Practice

*Anti-Money Laundering* is the definitive reference on money laundering and practice. First an outline will be given of the general approach taken by supra-national organisations like the United Nations and the European Council. Next the approach taken by international organisations and initiatives on the basis of the supra-national initiatives will be outlined by senior members of those organisations. A number of countries will then describe their specific prevention legislation. Countries involved will all be member-countries of the FATF (**Financial Action Task Force on Money Laundering**). Finally there will be an overview to enable the reader to make a comparison between the most important topics of money laundering legislation and rules in the different countries.
