Have you ever wondered what goes on in the mind of a child? Issues such as divorce, poverty, and homelessness are touched on in this story of one child's magnificent understanding of our crazy, mixed up world. Eugene, wise beyond his years, plays mentor to a coping, frustrated father, and supportive friend to a struggling yet whimsical mother. Having lived in an apartment all his life, Eugene dreams of one day living in a "real" house where he thinks only rich people live. But he especially hopes to wake up one morning to find a friendlier, much more caring world. Ultimately, Eugene is bogged down by an unrelenting, harsh world where nothing goes his way as he is left with little hope; until something magical happens that changes his world forever. Can one child make a difference? The "richest boy in the world" will certainly do just that!
