## **Walking in the Will of God: Discovering the Grace and Freedom of His Plan for You** Steve McVey

The success of Steve McVey's books--beginning with more than 250,000 copies -selling *Grace Walk*--testifies to readers' hunger to get free of performance-focused Christianity and rediscover the grace-filled, relational God of the Scriptures.

The issue of God's will confuses and frustrates many believers. Steve McVey helps and encourages them with key biblical principles:

1. Focusing on *rules*, Christians end up anxious, hesitant, and distant from their compassionate Father.
2. Focusing on God's *relationship* with them, Christians will feel assured He is a Person to trust, not a formula to figure out.
3. Believers can relax, knowing that God wants to guide them and has given them the life and mind of Christ.

The result of the grace-based relationship? A bold, no-regrets life, lived in light of God's complete dependability. This kind of life--the kind of life every Christian desires--is revealed in *Walking in the Will of God*.
