At eighteen years old, Brooklyn Andrews is nothing more than a naive college student. Being the youngest of five and the only girl, she is sheltered from a lot of things that most girls her age experience, including boys. That is until she meets Dominic.

Dominic Roberts is a young, handsome business man who owns a profitable trucking company, along with his older brother, David. When the two meet it's hard to deny the attraction that they have for one another and it doesn't take long before they act on what they both feel. The only thing standing in their way besides Brooklyn's brothers is Kennedi, Dominic's fiancé.

Kennedi loves Dominic with all her heart, but Brooklyn is slowly making him rethink if marriage is what he really wants. Will Dominic drop his fiancé and make Brooklyn his number one or will she continue to be his little secret?
