**Client Violence in Social Work Practice: Prevention, Intervention, and Research** Christina E. Newhill PhD

Presenting practical strategies for violence assessment and prevention that are grounded in solid empirical research, this book helps practitioners and agencies provide state-of-the-art treatment to aggressive clients while reducing violence risks. Effective methods are described together with specific recommendations for approaching, engaging, and intervening with violent clients in both office and field settings. Skills development exercises and guidelines for developing and implementing an agency safety plan enhance the book's utility as a training tool and professional resource.
