## **Improving Adolescent Writers** Kelly Gallagher

How can we teach today's students to write with clarity, passion, and purpose? How can we move all students—even those who struggle or are reluctant—forward in their skills as writers? In *Improving Adolescent Writers*, Kelly Gallagher invites you into his classroom for an in-depth look at ways to successfully answer these questions, and more. Through a variety of methods—modeling, mid-process assessment, small-group conferring, grammar and editing mini-lessons, revision techniques, and identifying the many real-world purposes for writing—Kelly demonstrates how to teach writing so that adolescents internalize the habits and skills of good writers. Along the way they learn that writing is messy, hard work but well worth the struggle and effort. They become more than better writers; ultimately, they become better thinkers.

The DVD features three programs: The Importance of Modeling, Writing with Purpose, and Assessment That Drives Better Student Writing.
