For more than four generations, the proud and embattled members of the Winters family have survived every threat that life could throw at them: war, death, betrayal, tragedy, and more. *A Miracle for Me* follows this all-American family's branches from the early years, between the two World Wars, to today. The men of the family-Gene, Micheal, Jeffrey, and Kevin-have been the cornerstones of the group's stability. Now, it is to Micheal that all eyes are turned. Micheal, a self-made billionaire, has more than made a name of himself in the oil industry. Despite his power and wealth, however, he can't protect himself or his family from unbearable losses that challenge both his professional and personal lives. It is only through the fierce dedication, selfless effort, and the loyalty of John, his closest friend and right hand man, that he has been able to survive the years. Now John has come across some information that could bring it all crashing down around them. He learns that the most dangerous and organized gang in Chicago has something of great value to Micheal-something that John knows Micheal would do anything to protect and recover. But Micheal refuses to be blackmailed and instead hires a band of ruthless mercenaries to recover this precious item-at any cost. Only time will tell how much these men will risk to claim what they see as theirs.
