Replace the following instructions with the actual description

So you decided it's high time you got away from it all and spent a bit of your precious hours in the comfort of a nearby park and forest - well, you're not alone. A lot of people enjoy spending a weekend or a night here and there away from the city, away from the normal constraints of home and away from the noise and stress of life, but they - and you - aren't quite sure where to start.

What are you going to need? Can you camp in the wilds? How many types of tents are there? Are you going to have to go through the old motions of hammering poles into the dirt to get a canvas to stand up and shelter you from the wind and the cold? How does camping even work in the 21st century?

We're here to help. Everyone was a beginner at some point, and with this, you'll be ready to head out into a park and spend a few sacred hours with only yourself, a few close friends, or family - but without the worries, fears and stresses of normal life. You can give yourself a few days to decompress and relax, and we can help you learn how.

#### **Here is a preview of what you'll learn:**

- A list of everything you're going to need.
- Learn the motions of camping, how to set-up, and conveniences.
- Run into some valuable advice for camping in the great out-doors and learn how to find out where you can.

- Discover how to keep the comforts of home without the constraints of home.
- And acquaint yourself with the etiquette of camping to make the park a better place for all.
