Nailed Lucia Jordan

Emma has always had her eyes on Conrad Blunt. The enigmatic and out-of-reach steamy older brother of her best friend and Emma finds herself playing a role she never would have imagined in her wildest dreams.

Visiting Denver, and recently broken up with his ex, Conrad asks his secretary to organize an escort to accompany him to a charity ball...but, unbeknownst to him, his over-protective sister Violet is dead-set against the idea. There's no way she'll let her brother date an escort...so she sets him up with her friend instead but Conrad doesn't remember the gorgeous and transformed woman from the girl he once knew.

What Conrad sees in Emma is potential—an underlying strength coupled with the desire to surrender to his command. And Emma finds Conrad impossible to resist...

But Emma has sworn to Violet that she won't touch Conrad—that the escort role is just that—a role. But now she's in way over her head. The question is, will she be able to find her way out...and does she even want to?
