Service User and Carer Involvement in Education for Health and Social Care: Promoting Partnership for Health Michael McKeown, Lisa Malihi-Shoja, Soo Downe

This book is unique in that it will appeal to practitioners, policy makers, and commissioners in health and social care practice and education who buy in to the principles of service user engagement, but who find it hard to know how to progress the practicalities. Based on the set up and running of the unique and very successful Comensus project, this practical and accessible text will provide a framework for building authentic and sustainable community engagement in health and social care education and practice.
