## Honor? In Today's World?

A one-of-a-kind book in both subject and perspective!

*The Practice of Honor* is about reformation of honor—it is intended to disrupt your current model of authority!

Jesus put it like this, “*You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant*” (Matthew 20:25-26).

In some realms, honor is something defended to the death. However you have defined and cultivated honor up to now, *The Practice of Honor* may require a significant paradigm shift in your thinking.

Based on the revival culture of the very spiritually successful Bethel Church in Redding, California, this book is also a template to help any leader develop an environment that brings out the very best in people. *The Practice of Honor* is a recipe for introducing the Spirit of God, and all of His freedom, and how to host and embrace that freedom as a community of believers.

Those with power must learn how to empower those around them—or Heaven on the earth will never be realized as God intended.
