What is the Meaning of Life?: Eternal Truths in a Nutshell (The Ascension Path Series Book 1) JoAnn Elliot, George Elliot

The granddaddy of all questions is “What is the meaning of life?” Without an understanding of why we are here, what is our purpose and what is the goal of all life, we are pretty much lost in the sea of life. This eBook presents a comprehensive world view that makes good sense. It is based on eternal truths. It promotes no one organization or religion.

Some of the Eternal Truths discussed include:

- Jesus said “You will do greater works than I”. Not possible if you are not also God. You are God creating your world thought by thought, second by second, 24/7, lifetime after lifetime.
- I AM that I AM. The name of God given to Moses. You are both the Allness of God (I AM) and an Individualized spark of God (I AM).
- The purpose of life is threefold 1) To gain mastery over the elements of earth, air, water and fire. That is, the physical, the mental, the emotional and the soul or memory body. 2) To accomplish your Divine plan. By raising your vibration you can communicate with your Spiritual Being and attune to the greatest need of this lifetime. And 3) to balance karma you have made in this and previous embodiments.
- The goal of life is to gain such mastery that one Ascends back to God, never needing to reembody again.
- You must learn to see Perfection in all of Life and not be unduly influenced by current outer appearances. See the end you want and it must come into manifestation in due time. Become a Master by acting the part now.
- Part of mastery is expressing unconditional love to all. Not to just your immediate family and friends but to that political party you do not agree with, that sports team you do not support, that bossy boss, etc. Send forth love and you shall receive love.
- Reincarnation and karma are all part of GOD (the Geometry Of Divinity). Do unto others as you would have them do unto you and you will avoid a good deal of pain in the future, be it this life or future embodiments.
- The soul, or memory body, is the only part of the lower planes of your being that goes on after death. Just as a Mozart had very great mastery in music in previous lifetimes and could therefore bring this mastery to the fore early in a new embodiment, so you must become so immersed in the Eternal Truths that in your next life you can bring them back into your consciousness and continue on your path to the Ascension much where you left off.
- The highest and best use of any lifetime is to progress upon the Path of mastery and the Ascension. Many endeavors are worthwhile but should not be pursued at the detriment of one’s own enlightenment/mastery.
- You get rid of bad habits by packing your being with the Light of God qualities. Pursue harmony, purity, unconditional love, faith, hope, charity, patience, courage, and fearlessness. Over time there will be no room for lesser traits.
- There is no such thing as sin so the feelings of guilt have no value. The rules to the game of life are the Eternal Truths. Stay aligned with these truths and happiness will be yours.
- You must overcome all fear. It has been said that fear is the greatest weapon of mass destruction. Fear is nothing but a paper tiger feeling.
- True Freedom comes only from connection to your Individualized I AM Presence of God.
- All abundance comes from this same Presence. Remain in the presence of your God Presence and you will receive all you require.

- The great universal sea of Light is everywhere. It obeys your every thought and is the substance used to create all things.
- Marriage is mainly for the purpose of assisting each other on one's spiritual path. The perfect relationship you are searching for is actually with your own God Presence.
- Spiritual practices of meditation, prayer and spoken affirmations are an integral part of the Path. You need to develop spiritual skills.
- Some thoughts on gurus, organizations and idolatry.
