**The world is full of people telling you how to live your life. Sometimes the advice-givers fall ever-so-slightly short themselves.**

Bestselling author Zac Bissonnette has gathered more than seventy-five jaw-dropping gems, including risk-management advice from the man who triggered the world's largest hedge fund collapse and tips from gay-prostitute-patronizing pastor Ted Haggard on how to build a marriage that lasts a lifetime. The result will keep you smiling while you glean all the wisdom you need to build the life you want . . . if only you can follow it better than the people who gave it.
