**\*\*The Queen Quartette\*\***

In this seductive series, four lives collide in a riveting tale of *secrets, deception, betrayal*, and *revenge*...and this story is about...

*the forbidden gem...*

Rachelle Silva is used to getting what she wants. As the beloved secret daughter of a ruthless crime boss, she wants for nothing--except freedom from her overprotective father. But when her identity is compromised and her life is threatened, Rachelle is given the one thing she's always hated most: an escort.

Former fighter Jay Price stays connected with Vegas's criminal underbelly, and for the right price he'll take on any job. But when he's hired to babysit self-centered "princess" Rachelle, he finds himself captivated by the beautiful, spoiled socialite--and annoyed by his sudden attraction to her.

Confused by her own attraction to the tattooed "thug," Rachelle sets out to make Jay as aware of her as she is of him. Unfortunately the threats to her life are all too real, and Jay is forced to bring her into "his world" until the threat is...dealt with. But he has an even bigger fight on his hands--his desire for the one woman he's forbidden to have.
