A week at a quaint, beautiful Australian beach is exactly what she needs to unwind. But when she visits a pub and meets Weston “Wes” Barnes, her life is turned upside down. What was supposed to be a single night of passion turns into a life altering revelation. Now Jessica must choose between her old life and the new love of her life.

Weston “Wes” Barnes spends his days lounging in the Australian outback and his nights playing rock jazz at local pubs. His routines are about to change when Jessica Mills shows up to one of his gigs. One scent is all it takes for him to know she’s his one true mate. But can he convince her to accept him for who he really is? Or will he be forced to give her up for the sake of his and his brothers’ safety?
