For the past four years Cassie has only known vampires as her enemy. With the revelation of Devon's true nature she must come to terms with the fact that not everything she knows is right, especially when the source of her Hunter powers is revealed. Slowly, Cassie begins to unravel the mystery that enshrouds Devon as the bond between them grows and intensifies. It's not until a woman from his past walks into their present, that Cassie realizes there are far more layers to Devon than she ever realized. Layers that may very well destroy her, and everyone that she loves. Thrown off by the new arrival in their town, and struggling to survive, Cassie is not prepared for the devastating blow that leaves the world she knows nothing but a pile of rubble and ashes. Ashes that may very well give rise to something else inside of her, something that's not entirely human. Book 2 of 5 Young Adult. This book contains some language, violence, and sexual situations. Recommended for ages fifteen and up. Edited by Leslie Mitchell at G2 Freelance Editing and re-released 8/20/13. Cover design by www.EbookLaunch.com
