Equity and Trusts

Alastair Hudson

Equity and Trusts Alastair Hudson

Alastair Hudson's textbook provides a clear, current and comprehensive account of the subject. The author's expertise, humour and enthusiasm for the subject shine through, helping to bring to life an area of the law which students often find difficult.

Each chapter begins with a summary of the key principles. The text then illustrates the law with worked examples and help in answering problem questions. All of the important cases are analysed in detail. This book remains an up-to-date and provides an unparalleled breadth of coverage of the case law. The writing style is designed to help students who are studying on problem-based learning courses and on traditional courses. It has been cited with approval in the courts of several jurisdictions.

Equity & Trusts is interspersed with essays drawing parallels with family law and commercial law; examining the meaning of conscience and Aristotle's model of equity; and providing invaluable help to students preparing coursework. Hudson identifies key areas of debate and controversy among judges, practitioners and academics in way that helps the reader to engage with their own critical analysis.

This ninth edition has been comprehensively re-written. As ever, this new edition covers all of the recent developments in the case law.

This book is supported by the author's popular website which has had hundreds of thousands of hits over the last ten years. That website contains over 50 introductory podcasts on equity and trusts which have been re-recorded to coincide with the publication of this new edition. It also contains introductory videos, study advice for law students and full lectures.

From reader reviews:

Lily Sawyers:

With other case, little people like to read book Equity and Trusts. You can choose the best book if you like reading a book. As long as we know about how is important the book Equity and Trusts. You can add information and of course you can around the world by a book. Absolutely right, simply because from book you can recognize everything! From your country until finally foreign or abroad you will find yourself known. About simple point until wonderful thing you may know that. In this era, you can open a book as well as searching by internet system. It is called e-book. You can utilize it when you feel bored to go to the library. Let's learn.

Isabel McNeal:

Book is written, printed, or descriptive for everything. You can realize everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Adjacent to that you can your reading expertise was fluently. A reserve Equity and Trusts will make you to always be smarter. You can feel much more confidence if you can know about almost everything. But some of you think in which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you in search of best book or appropriate book with you?

Susan Negri:

Exactly why? Because this Equity and Trusts is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book adjacent to it was fantastic author who have write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Marilyn Fox:

Playing with family within a park, coming to see the sea world or hanging out with close friends is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Equity and Trusts, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't understand it, oh come on its named reading friends.
