**The first book in the sexy new Grayson Brothers series by Christina Phillips!**

*Every good girl loves a very bad boy...*

Scarlett Ashford needs a date for her father's wedding. Only she doesn't just need a guy in a suit-she needs a bodyguard. The only problem is that Jackson Grayson is big and gorgeous and *way* too sexy. So much so that Scarlett's tempted to let this hot bad boy ruin her oh-so-good reputation...

Jackson doesn't do relationships and he certainly doesn't sleep with clients. Yet he can't fight their inconvenient attraction, or how badly he wants Scarlett's warm and wicked curves against his body. He wants her. *Now*. Even if it's just for one night, and even if walking away the next morning isn't as easy as he thought.

Besides, one hot and incredibly intense night between a bad boy and a pampered princess could never turn into something real...could it?
