Is It Just Me?: Confessions of an Over-Sharer Chrissie Swan

You know what I want?

I want to be able to have fun wherever I am.

I want to laugh. All. The. Time.

I want to have one holiday every year with my family where we have no plans and nowhere else to be.

I want to watch less television and read more books.

I want to be able to whinge about never being able to be alone any more, then, after someone organises a hotel room voucher for me, I want to spend the evening eating chips (that I don't like) from a cylinder and missing my children to the point of tears.

From weight to wee, children to crap dates, nothing is off limits for Chrissie Swan, self-confessed 'over-sharer'. Celebrity, friendship, love, being a working mum, 'having it all' and the general chaos of life – *Is It Just Me?* is Chrissie at her hilarious, candid and fearless best.

‘Chrissie writes what we're all thinking. Her honesty and humour are a gift. And a relief!’—Mia Freedman

‘Smart, sassy, funny. Chrissie is the best girlfriend everyone should have. And with this book, now they can.’—Matt Preston

‘Bubbly and outspoken Chrissie Swan is one of Australia's busiest and most adored working mums.’—Fiona O'Brien, *Adelaide Review*

‘Sex, friendships, weight, real estate – Swan writes about them all in a chatty, confessional tone as if she’s sharing confidences with girlfriends over coffee.’—*Sunday Age*
