Peaceful Warrior Nurse

Priscilla Smith-Trudeau

Peaceful Warrior Nurse Priscilla Smith-Trudeau

There aren't enough books written for nurses, by nurses and about nurses that enlighten, empower and encourage them to celebrate the diversity and spirit of nursing. This is not a how-to-book or a clinical manual, but a book honestly detailing the lessons, experiences, and blessings of the author's 25 years of nursing practice. Woven through the stories and information is wisdom acquired from triumphs and disaster along the way.

The profession of nursing is in need of a revolution. It needs nurses young and old, women and men, black, brown yellow red and white to create a new vision, a new mission and a re-dedication to the service of humanity.

This book is the author's contribution as a nursing professional to support the cause of rekindling an interest and dedication to nursing throughout the country and the world. This book is about living, loving, learning and leaving a nursing legacy.
