The publishers state that they "present this volume to the reader in the humble endeavor to present you with a special gift of greater knowledge. We have restored the Sacred Name and the sacred titles to the English text of the Old Testament as well as returning the Name of Yahshua the Messiah our Redeemer to the text of the New Testament. We have sought to eliminate the Shakespearean English which is no longer employed in modern usage. We have tried to be faithful in rendering the original texts (as closely as we can return to them). The text of this volume however, was maintained in strict majesty of expression as befits the Word of our Heavenly Father Yahweh and His Son Yahshua the Messiah. We have not resorted to the modern corrupt slang common in American English. While striving to make the text of the Bible more understandable for the modern reader, the majesty with which the Bible was written was not sacrificed. Therefore, this text emphasizes our need to think of the Heavenly Father and Messiah on a higher level." Note: this is published in a soft leather edition, and a less expensive hardcover edition; this listing is for the hardcover edition. 9.5 inches tall, 977 + 4 pages, glossary.
