Troubled Water: Race, Mutiny, and Bravery on the USS Kitty Hawk

Gregory A. Freeman

Troubled Water: Race, Mutiny, and Bravery on the USS Kitty Hawk Gregory A. Freeman

In 1972, the United States was embroiled in an unpopular war in Vietnam, and the USS *Kitty Hawk* was headed to her station in the Gulf of Tonkin. Its five thousand men, cooped up for the longest at-sea tour of the war, rioted--or, as *Troubled Water* suggests, mutinied. Disturbingly, the lines were drawn racially, black against white. By the time order was restored, careers were in tatters. Although the incident became a turning point for race relations in the Navy, this story remained buried within U.S. Navy archives for decades.

With action pulled straight from a high seas thriller, Gregory A. Freeman uses eyewitness accounts and a careful and unprecedented examination of the navy's records to refute the official story of the incident, make a convincing case for the U.S. navy's first mutiny, and shed new light on this seminal event in American history.
