## Unbraiding the short story: Selected Program Articles Maurice A Lee

This text contains twenty three articles selected from the many that were presented at the 13th International Conference on the Short Story in English, held at the University of Vienna, July 16-19, 2014. The theme was "Unbraiding the Short Story." The conference drew scholars and writers from around the globe, with the purpose of focusing entirely on the short story genre over a period of four days. As such, this collection is a representation of the quality, variety, depth, and breadth of the scholarly papers presented to this global audience.
