Michelle Mercer

Will You Take Me As I Am: Joni Mitchell's Blue Period (paperback ed.) Michelle Mercer (Book). Joni Mitchell is one of the most celebrated artists of the last half-century, and her landmark 1971 album, *Blue*, is one of her most beloved and revered works. Generations of people have come of age listening to the album, inspired by the way it clarified their own difficult emotions. Critics and musicians admire the idiosyncratic virtuosity of its compositions. *Will You Take Me as I Am* the first book about Mitchell to include original interviews with her looks at *Blue* to explore the development of an extraordinary artist, the history of songwriting, and much more. In extensive conversations with Mitchell, Michelle Mercer heard firsthand about Mitchell's internal and external journeys as she composed the largely autobiographical albums of what Mercer calls her Blue Period, which lasted through the mid-1970s. Incorporating biography, memoir, reportage, criticism, and interviews into an illuminating narrative, Mercer moves beyond the "making of an album" genre to arrive at a new form of music writing.
