A la sombra del ombu (Spanish Edition) Santa Montefiore

En la inmensidad absoluta de la pampa argentina, la silueta del ombu se yergue como un peregrino errante, sabio y orgulloso. Sus raíces se funden y expanden sobre la tierra como si buscaran aferrarse eternamente y declararle a todos que no existe ningún otro lugar en el mundo para ellas. Su madera fofa y gruesa acoge con delicadeza el juego de los niños. La serena sombra de su follaje invita al canto de los gauchos y, por supuesto, a la reflexión sobre la naturaleza, el paso de los días y el siempre incierto destino. Para muchos, es un árbol mágico. Pero como todas las cosas maravillosas de este universo, su verdadera magia no radica tanto en lo evidente, como en lo que los ojos y el corazón de algunos privilegiados son capaces de percibir oculto tras la apariencia. Aquel era el caso de Sofia Solanas de ODwyer, quien desde pequeña tuvo perfecta conciencia de este hecho. A la protectora figura del ombu había confiado sus sueños infantiles, sus primeros deseos, el comienzo de su gran amor y, lamentablemente, también el inicio de su particular tragedia. Hija de un hacendado argentino y una católica irlandesa, Sofia jamás pensó en que habría un momento que tendría que abandonar los campos de Santa Catalina. O quizás, simplemente, ante tanta ilusión y belleza, nunca pudo imaginar que su fuerte carácter la llevaría a cometer los errores más grandes de su vida. Como el ombu, Sofia nunca quiso dejar su tierra. Junto al ombu, y después de largos años, Sofia regresaría para poder recuperar la paz y cerrar los círculos más tormentosos de su existencia. Todo lo que pudo ser y no fue. Todo aquello que aun la persigue. Las mil y una razones que dicta el corazón, para descubrir los viejos y nuevos caminos. / From the internationally bestselling author of London and Sarum comes an epic story about love and war, family life and political intrigue in Ireland over the course of seventeen centuries. Like the novels of James Michener, *The Princes of Ireland* brilliantly interweaves engrossing fiction and well-researched fact to capture the essence of a place.
