Fenwick W. English R. Wendell Eaves Sr. Distinguished Professor of Educational Leadership University of North Carolina at Chapel Hill

This is the first book to bring into focus the full scope of professional practice in educational leadership. Anatomy of Professional Practice probes the limitations of traditional research in fully comprehending the true nature of leadership, and points out how future research must be expanded to deal with understanding the complexity of educational leadership practice, particularly the moral issues which are the nexus of contemporary school leadership dilemmas.
