Call Me Crazy (Lisa Drew Books) Anne Heche

A beautifully written and evocative memoir of pain and redemption, of hurt and healing, from an actress whose private life and personal choices have made her a household name.

"My life is a life movies are made of," wrote Anne Heche in the proposal for her memoir. Yet what is truly surprising about Heche is that the most publicized event of her past -- her romance with Ellen DeGeneres -- is only one development in a fascinating and difficult life that has included more than its share of heartache and tragedy.

Heche's memoir reveals the woman behind the headlines, one who has conquered overwhelming odds. Far from a celebrity memoir, this is an empowering and thought-provoking book guaranteed to surprise and inspire.
