Born in the United States but separated since they were boys, twin brothers Max and Harry Kelso found themselves fighting on opposite sides when the Second World War broke out, Max as one of the Luftwaffe's most feared pilots, Harry as a Yank ace in the RAF! The war produced many amazing stories. But neither twin could have predicted the diabolical circumstances which would bring them back together again. For much greater events have set in motion an intrigue so devious, so full of danger, that these two brothers will be forced to question everything they value: their lives and ultimately their loyalties.
