The Plot to Cancel Christmas will make you laugh and make you angry. It could happen. Greed, ambition, and the misuse of taxpayer money are nothing new. This book depicts the classic struggle between might and right; and between raw power and thoughtful evaluation. For some, the will of the people doesn't matter since "people don't count" as one major character says in the book. The Plot to Cancel Christmas is about character, and the conflicting emotions and forces that permeate human life- greed, fear, love, tradition, duty, and conscience. One reviewer stated, "...a timeless tale that speaks volumes to all of us...a modern Christmas Carol." "A book that gives you pause- Could this really happen?" "...the characters literally dance from the page." "...a punch in the heart and a hug at the same time." "...a gift that will put your life in perspective." "A Classic Battle between might & right! Superb!"
