Daughter of Regals & Other Tales

Stephen R. Donaldson

Daughter of Regals & Other Tales Stephen R. Donaldson

The Creator Of Thomas Covenant Adds Eight New Wonders To The World.

In his first collection of short fiction, the bestselling author of *White Gold Wielder* presents eight superb stories, including "Gilden-Fire," the famous "outtake" from *Illearth War*, and two brand new novellas written especially for this edition. Enter a world of mystics and unicorns, angels and kings -- all realized with the same dazzling style and imagination that has made Stephen R. Donaldson a modern master of the fantasy genre.

Daughter of Regals is a fantasy novella concerning a unique royal line and an unusual conception of magic.

The Conqueror Worm is a deliciously creepy "horror" piece in which havoc is wreaked by one lowly centipede.

Ser Visal's Tale begins as a simple story told over several flagons of wine at the local inn, this novella ends with a surprising twist.

Gilden-Fire is the famous chapter about Korik of the Bloodguard and his mission to Seareach that was part of the original manuscript of *The Illearth War*, but omitted from the published version.

Joyce Johnson:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is inside former life are challenging be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen within you if you take Daughter of Regals & Other Tales as the daily resource information.

Thomas Brim:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some investigation before they write to the book. One of them is this Daughter of Regals & Other Tales.
