Through mistakes of drink, pranks, and choices, we four teenagers were fishers without nets. This book shows the effects of horror, love, drinking, drugs from 1977 to 1982. If you liked the movie Stand By Me by Stephen King based on his short story called “The Body” then you will love these stories.

To respect to Stephen King: He is the true Horror master so this is in part dedicated. For like him, this story involves young men and women who are searching for love in a small town many years ago. It is full of emotional rollercoaster rides, full of romance, losses, pranks, death and resurrection. Though most of us think middle school is just a bump in the road, it can shape your life and choices forever. In short, I dedicate to God and of course to Stephen King.

The miracle of this tale show after being shot at several times, knifed, gang-beaten, sexually abused by adults, and almost killed by a live in boyfriend, I survived. Yet the story is about four young teenage boys who struggle to remove through the masks of small town hypocrisy. They steal beer, weed, whiskey, and are chased by a Boss who was not so lively. It is my hope In this book is to show young teens they can overcome obstacles of abuse, identity, petty crimes, and domestic violence. Though the names have been changed to protect the innocent, most of what you read you will come to feel and connect with in a way you might with a movie called “The Outsiders” or “The Warriors.”
