## 206 Bones: A Novel (A Temperance Brennan Novel)

*Kathy Reichs*

**206 Bones: A Novel (A Temperance Brennan Novel)** Kathy Reichs

#1 *New York Times* bestselling author Kathy Reichs delivers another “outstanding” book (*Publishers Weekly*) in her “cleverly plotted” (*The New York Times*) Temperance Brennan series, the inspiration for the hit FOX television series *Bones*.

There are 206 bones in the human body. Forensic anthropologists know them intimately, can use them to reconstruct every kind of violent end. When Tempe finds herself regaining consciousness in some kind of very small, very dark, very cold enclosed space—bound, hands to feet—Tempe begins slowly to reconstruct...

Tempe and Lieutenant Ryan had accompanied the recently discovered remains of a missing heiress from Montreal to the Chicago morgue. Suddenly, Tempe was accused of mishandling the autopsy—and the case. Back in Montreal, the corpse of a second elderly woman was found in the woods, and then a third. Seamlessly weaving between Tempe’s present-tense terror as she’s held captive and her memory of the cases of these murdered women, Reichs reveals the incredible devastation that would occur if a forensic colleague sabotaged work in the lab. The chemistry between Tempe and Ryan intensifies as this complex, riveting tale unfolds, proving once again, that Reichs is the dominant talent in forensic mystery writing.
