**Carmelite Spirituality Teresian Tradition OUT OF STOCK** Paul-Marie of the Cross, Kathryn Sullivan (Translator), Kathryn Sullivan

This is a revised edition of the classic overview of the principal texts, themes, and teachings of Carmel: Elijah and Mary, the Rule of St. Albert, the Carmelite understanding of prayer, and the message of Sts. Teresa, John of the Cross, and Therese.

Carmel is known above all for her priceless heritage of spirituality. For centuries, in the spirit of Elijah and the ancient prophets, Carmelites have sought to encounter the living God and to teach others the ways of prayer. In sixteenth-century Spain, Saint Teresa of Avila brought renewed vitality to this religious family by inaugurating a reform movement that became known as the Discalced Carmelites, a new and fruitful branch on an ancient vine. This book was first published in English in 1959 and provides a concise and inspiring overview of Carmel's spiritual heritage from a Teresian perspective. Renowned Discalced Carmelite author Paul-Marie of the Cross identifies the principal texts, themes, figures and teaching of Carmel: Elijah and Mary, the Rule of St. Albert and the Book of the Institution of the First Monks, The Carmelite understanding of contemplation and the degrees of prayer, the message of Saints Teresa, John of the Cross, and Therese of Lisieux. This classic essay, long out of print, is here updated and reprinted for a new generation of seekers longing to slake their spiritual thirst at the fount of Carmel.
