At last-an effective teaching manual to help nurse educators!

*From Nurse to Educator: Creating Effective Learning Experiences for Adults* by Lyla Berry, EdD, MA, RN highlights the skills nurses need in order to be effective educators.

Teaching is an integral part of the nursing practice. Nursing professionals are involved on a daily basis teaching patient/client/residents, peers, or employees in a variety of healthcare settings.

Nursing professionals involved with teaching need information concerning adult teaching and learning principles, as well as how to use those principles in planning, implementing, and presenting effective adult-learning experiences.

This text was specifically developed to assist the licensed nursing professional directly involved in the role of adult teaching in all healthcare facility or nursing school settings. This book gives nurse educators the simple teaching tools needed to better prepare a new generation of caregivers
