Infinite Loss: (Infinite Series, Book3) (Volume 3) L. E. Waters

With lessons and lives of sacrifice and devotion behind her, Maya must continue the journey into her next incarnations as a young and passionate Lakota warrior on the Great American Plains; the dashing British spy Major John André, fighting the tide of a great revolution; and the desolate master of the macabre, Edgar Allan Poe. Each life is touched with love but strained by unbearable grief. Maya must experience life's most trying lesson...the devastation of loss. Special Note: Infinite Loss is not a standalone; side effects of reading the series out-of-order include headache, confusion, and though extremely rare, disinterest in continuing the series.
