## **Reinventando el Estado (Spanish Edition)** Agustín E. Ferraro

La obra de Agustín E. Ferraro profundiza en el estudio del llamado neo-gerencialismo, adaptándolo a una perspectiva administrativista, a la verdadera naturaleza de la administración pública. Teniendo en cuenta el sesgo antiestatal predominante en las últimas décadas, hace un repaso por las más modernas técnicas sobre políticas públicas, así como por los métodos y escuelas que sirven de referencia para el desarrollo de un Estado y una Administración de vanguardia en Iberoamérica.
